

Lincoln Lynx Alumni Association – Engraving Project Fund Raising Activity for the Scholarship Fund

Lincoln Lynx Alumni Association

*Preserving the history and
traditions of Lincoln High
School*

Your Lincoln Lynx Alumni Association is undertaking the “Pavers” project as a way of honoring LHS alumni, faculty, coaches and advisors who have been part of Lincoln High School.

The remodeled Lincoln High School has a new entry way, just to the left of the main entrance. The new entry way will be paved with bricks that can be engraved. The entry way (above) can be accessed at any time.

Be a part of the Lincoln Legacy. Join the Alumni Paver Engraving Project.

How do I order the paver?

- You can choose to put your name, family name, children’s names (i.e. Jack and Jill Smith), in memoriam honoring alumni, faculty or advisors who have benefited from attending Lincoln, or anything as long as it fits within the characters per line across three lines. (No slang and only English)
- Each box represents a character (letter, number, or space). Simply fill out this form and return along with payment by check made out to: **LLAA Paver Fund**, Box 31056, Seattle, WA 98103-1056
- Cost for each engraved paver is **\$75.00**. (This is the “**early order**” fee.)

Please, one order per form.

Your paver-brick (4” X 8”) may include up to three lines of engraving, with a maximum of 15 characters per line. Please be accurate in your wording here – please double check spelling and spacing. Only one character per box (spaces count as a character.) Numbers and capital letters from the standard English alphabet only. No symbols.

All proceeds, beyond engraving expenses, go the LLAA Scholarship Fund.
