## **HOW WINNER MAY USE AWARD MONEY**

Scholarship monies are **always** sent directly by LLAA to the Financial Aid Office of the college/school the recipient will be attending. Recipients of an LLAA scholarship must use the scholarship money during the school year following his/her high school graduation. The college/school is required to return any unused funds at the end of the first year to the LLAA Scholarship Fund, or if the student is not registered for any quarter/semester during that first year.
