USE OF SCHOLARSHIP MONIES

Scholarship monies are always sent directly by the LLAA to the Financial Aid Office of the college/school which will set up an account for the student recipient. Monies in that account may be used only by the student scholarship recipient, and only for tuition, books, and lab fees.

Recipients of an LLAA scholarship must use the scholarship money during the school year directly following the scholarship award. The college/school is required to return any unused funds at the end of the first year to the LLAA Scholarship Fund, or if the student is not registered for a quarter/semester during that first year.
