tradition of Lincoln High School*

Lincoln High School

Early in the spring of 1906, a group of Seattle School Board members crossed Lake Union and headed north to the small neighborhood of Wallingford in search of a site for a new high school in the north end of the city. Seattle's first high school had exceeded its capacity after only four years (see Broadway), and a second school was clearly needed.

Residents of both Fremont and Green Lake wanted the school in their neighborhoods, but a site on Interlake Avenue was chosen because of its central location and proximity to streetcar lines. At the time of its selection, the site was covered with brush and stumps left by logging operations and sawmills still operating nearby. Some citizens requested the school be named Interlake High School to conform with the new grade school, but the board agreed wholeheartedly on the name, which honors Abraham Lincoln, the nation's sixteenth president.

Membership in the Lincoln Alumni Association

To former members, we miss you as a loyal member of **LLAA**. To those who have never been members, we would love to have you join us in supporting future Lincoln graduates who pursue their higher education through the efforts of the **LLAA**.

We have expanded our scholarship program to include LHS graduating seniors in addition to granting scholarships to lineal descendants of LHS graduates. **LLAA** also organizes an All Class Luncheon each year, held in early June, publishes a nationally recognized school newspaper (*Totem II*) two times a year, helps classmates keep in touch with classmates and more.

Remodeled Lincoln High School

The remodeled Lincoln High School opened in September 2019 is a "state-of-the-art" educational center with the technology, learning centers, and curriculum essential for the preparation of students for tomorrow's careers and civic leadership.
